

## **Educational Tour to Dalhousie, H.P.**

An Educational trip was planned for M.Sc. 1<sup>st</sup> & 2<sup>nd</sup> Botany students of P.G. Botany Department of Botany, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib from October 11-13, 2016. Students explored the vegetation of local area of Dalhousie (District Chamba) and khajiar hill stations. Students collected a large number of Gymnosperms, Angiosperms and fungal species and gathered a lot of knowledge of flora of Dalhousie hills. The tour was guided by Dr. Rajbir Kaur & Dr. Ravikant.
