

Academic Tour
**Kalpna Chawla Memorial Planetarium
and
Panorama & Science Centre, Kurukshetra**

February 8, 2019

A one-day educational trip of B.Sc. Physics Hons. and B.Sc. Non-Medical students to Kalpna Chawla Memorial Planetarium and Panorama Science Centre, Kurukshetra was organized by PG Department of Physics under the supervision of Dr. Randev Singh (HOD), Dr. Deepika and Prof. Talwinder Kaur. 50 students took part in this educational tour held under DBT Star College scheme. At Kalpna Chawla Memorial Planetarium, students watched different shows including a show on problems & difficulties faced by astronauts giving much needed motivation and knowledge to the students to become an astronaut. Students also watched 3D show and attended a lecture on various processes taking place in human body. At Panorama & Science Centre students watched the interactive and functional exhibits of technology including the legendary battle of Kurukshetra in life-like panorama. This trip immensely helped the students to develop interest in understanding science concepts.
