

Academic Tour
**The Golden Temple
and
Jallianwala Bagh Memorial Park Amritsar**

April 20, 2018

The Physics Department of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab, organized a one-day Academic Tour to the Jallianwala Bagh Memorial Park and the Golden Temple, Amritsar for under-graduate students, under DBT Star College Scheme on April 20, 2018. Jallianwala Bagh is a historic garden (of about 6.27 acres, walled on all sides, with only one narrow exit) is 'memorial of national importance' in Amritsar, India, preserved in memory of those unarmed Indians killed and wounded in the massacre by British troops that took place on the day of festival of Vaisakhi, 13 April 1919. All were imbued with deep sense of grief laced with immense pride of belonging to our nation through the visit to the museum, gallery and number of memorial structures there. The essence of Sikhism was completely reflected in the students, accompanied by the teachers by paying obeisance at the Golden Temple.

Students with Dr. Randev Singh, Dr. Vimal Mehta and Dr. Deep Shikha
at the Jallianwala Bagh Memorial, Amritsar
