

An academic tour
Indian Institute of Science Education and Research, Mohali

March 31, 2017

Department of Physics organized a one-day academic tour of M.Sc. Physics 2nd year students to IISER, Mohali on 31st March, 2017. The tour was organized by Dr. Vimal Mehta, Dr. Deep Shikha and Dr. Devinder Singh by contacting Dr. Arvind, Department of Physics, IISER, Mohali. The tour was focussed on understanding the working of specialized techniques of NMR etc. Dr. Mandeep Singh of Physics Department demonstrated his experiment on parametric generation of light and quantum entanglement. Students asked many questions about it and also discussed its various possibilities. This was related to their subject of non-linear optics. Dr. Mandeep Singh also offered two seats for the students to attend the summer internship programme.
