

Outreach Program
Inter School Competition

March 3, 2022

P.G Department of Physics organized a one day Inter School Competition in various events such as elocution, quiz, poster making, slogan writing, essay writing etc. on 3-3-2022 under DBT Star College Scheme. Students from various schools also displayed the working models related to Physics. The working models were judged by Dr. Randev Singh (HOD, Physics Department). During the event Dr. Devinder Singh, Dr. Amrit Singh, Dr. Vimal Mehta, Dr. Deep Shikha, Dr. Randeep Kaur, Prof. Amandeep Kaur, Prof. Gaganpreet Kaur and Prof. Jaswinder Kaur interacted with the participant students, wards and accompanying teachers and answered their queries related to Physics and Science in general. They were made aware about the high excellent teaching and infrastructure facilities available in the Physics department by making them to visit to the experimental and research laboratories and the Radon Geo Station installed BARC to give early signatures of seismic activity present in the area.
