

Skit
Misuse of Social Media
&
Open Quiz

February 28, 2019

On February 28, 2019, “National Science Day” was celebrated by Physics Department under DBT Star College Scheme. Along with an Open Quiz competition, a guest lecture was delivered by Dr. Atul Khanna from Department of Physics, Guru Nanak Dev university Amritsar on the topic Raman Spectroscopy. After the guest lecture completion, Dr. Atul Khanna explained the various aspects related to queries raised by students regarding Raman Spectroscopy in the interactive session with the students of Physics Department. Students presented a motivational skit based on “Misuse of Social Media” and its consequences following a performance based on “Science on Stage” topic. All the participants were awarded with certificates for participation as following:

- Shikha Thakur (M.Sc. II) :1st
- Manisha (M.Sc. I) :2nd
- Opinderjeet Kaur (B.Sc. NM-III) :3rd
- Manish (M.Sc. II) :4th
- Simita Shikha (M.Sc. II) :5th
