

The Science Express Train

March 6, 2017

P.G. Department of Physics organized a one-day academic tour to "**Science Express: Climate Action Special**" parked in the yard at Nangal Township Railway Station under DBT Star College Scheme on 6-3-2017 for B.Sc. III (Non-Medical) and B.Sc. (Hons.) Physics students. Science Express is an innovative mobile science exhibition mounted on a 16-coach AC train which has been custom built for Department of Science and Technology by Indian Railways. The train exhibition theme was focused on Climate Changes and Science & Technology showcasing information, case studies and issues related to various aspects of Climate Change and its large scale impacts. The tour was held under the guidance of Dr. Randev Singh and Dr. Devinder Singh. 25 students from the Physics Department enjoyed this academic tour.
