

## Educational Trip Pushpa Gujral Science City, Kapurthala (Punjab)

March 06, 2021

One-day Educational Trip of 25 students of B.Sc. Hons. Physics was organized by Physics department teachers Dr. Amrit Singh (Convener), Prof. Jaswinder Kaur, Prof. Amandeep Kaur, Prof. Heena Sharma and Prof. Gaganpreet Kaur to Pushpa Gujral Science City, Kapurthala (Punjab) under DBT Star College Scheme on 6-3-2021.

At Science City, Laser show, Dome Theatre, Climate Change Show, Dinosaurs Park, Flight Simulator, Earthquake Simulator etc. were the segments of prime interest. The Flight simulator gave real life experience of zooming through stars in an alien universe. Rest of segments were Science Explorium, Digital Planetarium, Space and Aviation Gallery, Living Machine Gallery, 3D Theatre, Defense Gallery etc. which also gave the wonderful experience. Overall, visiting science city was a wonderful and interesting experience for students and they wished to visit it again.
