

Outreach Activity
Interactive Visit of the School Students

November 22, 2022

For imparting science knowledge and spreading awareness among the school students, Pariwar Vichhora Public High School Sirsa Nangal, Roopnagar students visit was arranged to the Physics Department, S G T B Khalsa College, Sri Anandpur Sahib on 22-11-2022 with the help of Dr. Randev Singh, HOD Physics Department. More than 60 students of +1 & +2 classes took part in this interactive visit.

Dr. Amrit Singh and Prof. Monika Sharma made aware the students about Physics practicals, research activities in the department and career opportunities in the field of Physics. The students were taken to M.Sc.-II lab, M.Sc.-I lab, B.Sc.(Honors) lab, B.Sc.(Non-Medical) lab and various Research Labs in Physics department. A brief information/explanation was also given to the students about Radon Geo Station situated in the college campus by Prof. Jaswinder Kaur.

The main objective of this outreach activity was to create/ignite the scientific mind/temperament in young talent. The purpose was fulfilled as almost every student had many basic queries and it was felt that they were extremely satisfied and happy during the visit.
