

Educational Tour Pushpa Gujral Science City, Kapurthala (Punjab)

March 02, 2023

One-day Educational Tour comprising of 120 students of B.Sc. Hons. Physics, B.Sc. Non-Medical I, II & III was organized to Pushpa Gujral Science City, Kapurthala (Punjab) under DBT Star College Scheme on 2-3-2023. The students during tour were under the supervision of Dr. Amrit Singh (Convener), Prof. Monika Sharma and Prof. Amandeep Kaur.

At Science City the Laser Show, Dome Theatre, Climate Change Show, Dinosaurs Park, Flight Simulator, Earthquake Simulator etc. were the segments of prime interest. The Flight Simulator gave real life experience of zooming through stars in an alien universe. Rest of segments were Science Explorium, Digital Planetarium, Space and Aviation Gallery, Living Machine Gallery, 3D Theatre, Defense Gallery etc. which also gave the wonderful experience and knowledge to the students. Overall, visiting science city was a wonderful and interesting experience for the students and they were thankful to Dr. Randev Singh HOD and other faculty members for arranging this tour.
