

## Special Lecture Use of ICT for Teaching Radiation Physics

February 09, 2023

P.G Department of Physics organized a lecture on topic 'Use of ICT for Teaching Radiation Physics' on 9-2-2023 under D.B.T. Star Scheme. The lecture was delivered by Dr. Vimal Mehta. About 35 students from M.Sc. Physics Sem.-IV participated in this event. During this lecture information and knowledge about the imaging applications of radiations such as X-Ray, CT Scan etc. was also shared with the participants. Students had many queries which were amicably resolved in an interactive manner.
