

Academic Tour
Rishikesh, Haridwar and Dehradun

March 29-April 2, 2023

On 29th March 2023, students from M.Sc. Physics accompanied by Dr. Amrit Singh went for a three-day excursion trip to Rishikesh, Haridwar and Dehradun.

All reached in their hotel at Haridwar at 08:00 AM on 30th March 2023. On first day Rishikesh was explored by the students. Students enjoyed tracking, boating and rafting and they also visited famous Hemkunt Gurudwara. In evening all the members reached at Har Ki Paudi of Haridwar for taking part in evening Aarti and returned to hotel at 8:30 PM.

On day 2, 31st March 2023, the group left the hotel at Haridwar to Dehradun and reached in hotel at 11:00. After taking refreshments all visited the Forest Research Institute (FRI) after purchasing their tickets. This institute is a tourist hub. The building and infrastructure was built by British. FRI has a rich and beautiful Flora and Fauna. The campus is picturesque and is indeed one of the most beautiful campuses across the country. The lush green campus spread over 1200 acres gives you all you need as a student or a professional and the natural ambience is really useful to stay focused. After FRI, everyone visited Tapkeshwar temple of Lord Shiva and enjoyed the peacefulness of the environment of the temple. Students reached back in hotel at 7:00 PM to enjoy the delicious dinner along with the DJ party.

On day 3, 01st April 2023, the group left the hotel to explore the adjoining places of Dehradun like, Minrolling Monastery and Sheharstradhara Water Falls and Rope Way. After enjoying the sunset at Dehradun everyone reached in Paunta Sahib Gurudwara at 11:00 PM. After enjoyig the langar at gurudwara sahib the group left Paunta Sahib at 01:00 AM and reached the college at 5:00 AM on 02nd April 2023.
