

Activity Report
Institution's Innovation Council
Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

Institution's Innovation Council Incubation and Startup Cell in collaboration with Department of Physics and Department of Chemistry, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organised an Expert Lecture on "Incubation way to develop – Your Early Age Startup" on 28th July 2026. The Resource person for the session was Dr. Jagdeep K Sharma, State Program Manager, State Institute of Rural Development and Panchayati Raj, Rural Development and Panchayats Department of Punjab. The session was designed to create awareness among students about entrepreneurship, innovation, and startup development. The session aimed to familiarize participants with the concept of business incubation and the support mechanisms available for transforming innovative ideas into successful startups. The speaker also discussed various government initiatives, startup schemes, intellectual property rights, business model development, market analysis, and strategies for scaling innovative ventures. The session was co-ordinated by Dr. Amandeep Saroa and Dr. Amrit Singh. More than 40 students actively attended the session. The Principal Dr. Jasvir Singh really appreciated the team for organizing such session that inspires the young minds to transform innovative ideas into successful startups. The IIC President Dr. Gurpreet Kaur also encouraged students to explore entrepreneurship as a viable career option.

Objectives:

- To introduce students to the concept and importance of startup incubation.
- To encourage innovation and entrepreneurial thinking among young learners.
- To provide knowledge about the startup ecosystem and government support schemes.

Benefits:

The session enhanced students understanding of entrepreneurship and startup incubation. It increased awareness of funding opportunities, incubation facilities, and government initiatives. It also inspired participants to consider entrepreneurship as a promising career path and contribute to economic growth through innovation.
