

Sri Guru Teg Bahadur Khalsa College

Sri Anandpur Sahib Punjab

Institutions Innovation Council

in collaboration with

PG Department of Computer Science

Organized an Expert Talk on

Innovation and Design Thinking

The Institution's Innovation Council, in collaboration with the Post Graduate Department of Computer Science & Applications, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, hosted an expert talk at SGS Khalsa Senior Secondary School, Anandpur Sahib on August 14th, 2024. Assistant Professor Paramjit Kaur, an Innovation Ambassador, delivered a captivating lecture on "Innovation and Design Thinking". The session sparked a lively discussion on the art of thinking outside the box and cultivating innovative ideas. The lecture encouraged students to identify problems in their surroundings and develop creative solutions to address them. The students were deeply engaged, and the lecture left a lasting impact, motivating them to embrace innovation and become problem-solvers.

Objectives: To inspire and equip students with the mindset for innovation and design thinking, empowering them to identify and creatively solve problems in their surroundings.

Benefits: Students gained practical insights into innovation, enhanced their problem-solving skills, and were motivated to think creatively, fostering a proactive approach to addressing real-world challenges.

No. of Participating Students: 45
