**PG Department of Computer Science**

**Organized an Awareness Lecture**

An awareness session on the Institution's Innovation Council (IIC) was organized for the students of MCA 1st Year by the Institution's Innovation Council (IIC) in association with the PG Department of Computer Science & Applications, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib on 20th April, 2026. The purpose of the session was to familiarize students with the concepts of innovation, entrepreneurship, startups, intellectual property rights, and the various initiatives introduced by the Ministry of Education's Innovation Cell (MIC) through IIC.

The lecture was delivered by Gurmeet Kaur, who discussed the growing importance of innovation and creative thinking in the modern technological era. She explained the objectives and functioning of IIC and encouraged students to participate actively in innovation-driven activities such as workshops, hackathons, internships, startup programs, and research projects conducted under the council.

The Principal of the college, Dr. Jasvir Singh, appreciated the efforts made by the IIC and the department for organizing such a meaningful and informative program. He highlighted the need for promoting innovative thinking and technical awareness among students to prepare them for future challenges.

Dr. Gurpreet Kaur, President of the Institution's Innovation Council (IIC), inspired the students to become actively involved in innovation and entrepreneurial activities. She encouraged them to develop new ideas and utilize their knowledge for technological and social advancement.

Dr. Surender Kumar motivated the students to make full use of the opportunities available through IIC and advised them to strengthen their technical, research, and entrepreneurial skills for overall professional growth.

The session turned out to be highly engaging and beneficial for the students. The participants showed great enthusiasm and actively interacted during the lecture while gaining valuable insights into the importance of innovation and entrepreneurship in shaping successful careers.

**Objectives:** To create awareness among students about the Institution's Innovation Council (IIC) and to motivate them towards innovation, entrepreneurship, research and startup culture.

**Benefits:** Enhanced students' awareness regarding the role and activities of IIC.

**No. of Participating Students:** 45
