**An Expert Lecture on  
Startup: Legal and Ethical Steps**

**On  
27<sup>th</sup> April, 2026**

Institution's Innovation Council, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organized an Expert Lecture on the topic "Start-up: Legal and Ethical Steps" on 27<sup>th</sup> April, 2026. The main aim of the program was to create awareness among students about the legal and ethical requirements for establishing start-ups. The lecture focused on essential legal formalities including the selection of appropriate forms of business such as sole proprietorship, partnership, LLP, or company under the Companies Act, 2013.

Dr. Hardeep Kaur, Innovation Ambassador, IIC & Assistant Professor, P.G. Department of Commerce and Management, delivered the lecture to the students of science stream. Various legal procedures, compliance requirements, and ethical responsibilities were explained with practical examples. Real-life case studies of successful local entrepreneurs were also discussed, helping students understand the real challenges and opportunities in the start-up ecosystem.

The session was interactive and informative, with more than 50 students actively participating and showing keen interest. It encouraged students to explore start-up opportunities with proper legal knowledge and also highlighted the importance of ethical decision-making, transparency, and accountability in sustaining a business in the long run. The students found the lecture highly beneficial and gained valuable insights, developing a clearer understanding of how to turn ideas into legally sound and ethically responsible ventures.

The Principal of the college, Dr. Jasvir Singh, appreciated the efforts of the Institution's Innovation Council in organizing such a meaningful session. He emphasized the importance of legal awareness and ethical practices in building successful start-ups. The event was coordinated by Prof. Sharnjeet Kaur from the Chemistry Department under the guidance of Dr. Gurpreet Kaur, IIC President.

**Objective:**

1. To create awareness about legal and ethical aspects of start-ups.
2. To promote entrepreneurial mind-set among students.
3. To provide knowledge about different forms of business organization.
4. To enhance understanding of legal procedures and compliance requirements.

No. of Students participated: 57
