**PG Department of Computer Science
in collaboration with
Institution's Innovation Council
organized a Guest Lecture on
Data Analysis Using MS Excel
on 12th September 2025
(Under DBT Star Status)**

The P.G. Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institution's Innovation Council, organized a guest lecture on the topic "Data Analysis Using MS Excel" on 12th September, 2025 under aegis of DBT Star Status, Government of India in offline mode.

The event was graced by the presence of Dr. Anuj Kumar, Assistant Professor, Department of Computer Science & Applications, Panjab University, Chandigarh, as the expert speaker. The lecture was attended by 135 students from BCA first year and B.Sc. (Hons.) AI & DS second year along with faculty members of the department.

During his session, Dr. Anuj Kumar demonstrated how MS Excel can be effectively used for data analysis through its advanced features, formulas, functions and visualization tools. He explained practical techniques for data cleaning, processing, and interpretation and also highlighted the use of Excel in real-world problem solving. His interactive teaching style, along with hands-on examples, helped students gain a clear understanding of the concepts. The students learnt a great deal and participated with full enthusiasm, making the session lively and informative.

Dr. Jasvir Singh, Principal of the college, appreciated the initiative of the P.G. Department of Computer Science in conducting such skill-oriented lectures. He encouraged the faculty to continue organizing similar programs to enhance students' technical knowledge and employability.

The event was successfully organized under the guidance of Dr. Surender Kumar, Head of the P.G. Department of Computer Science, who emphasized the importance of learning data analysis tools for both academic and professional growth.

The lecture was hosted and coordinated by Prof. Tajinder Kaur, while Dr. Kamaldeep Kaur, Prof. Harpreet Kaur, Dr. Amanpreet Kaur, Prof. Ashima and Prof. Sukhleen Kaur efficiently assisted in managing the event, ensuring its smooth execution and success.
