**PG Department of Computer Science
in collaboration with
Institution's Innovation Council
organized a Guest Lecture on
Emerging Trends in Artificial Intelligence and its Applications
on 15th September 2025
(Under DBT Star Status)**

The P.G. Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institution's Innovation Council, organized a guest lecture on the topic "Emerging Trends in Artificial Intelligence and its Applications" on 15th September, 2025. The session was conducted under the aegis of DBT Star Status, Government of India.

The lecture was attended by more than 100 students of B.Sc. (Hons.) AI & DS 1st year and 2nd year, along with faculty members of the department. The event was graced by the presence of Dr. Sarwan Singh, Joint Director, NIELIT Chandigarh, as the expert speaker.

Dr. Singh, a distinguished professional with more than 24 years of experience in the ITES ecosystem, shared his expertise in cutting-edge technologies such as Artificial Intelligence, Blockchain, Augmented & Virtual Reality, IoT and 5G. He also highlighted the practical applications of these technologies in diverse domains like healthcare, agriculture and education.

During his lecture, Dr. Singh provided valuable insights into AI-driven innovations and explained how these advancements are transforming industries and reshaping the future of IT infrastructure. He also inspired students to acquire relevant skills and explore career opportunities in this rapidly evolving field.

Dr. Jasvir Singh, Principal of the college, applauded the efforts of the P.G. Department of Computer Science for organizing such a meaningful lecture. He urged the students to make the most of these knowledge-sharing opportunities to strengthen their academic learning and professional development.

The event was successfully organized under the guidance of Dr. Surender Kumar, Head of the P.G. Department of Computer Science, who emphasized the importance of AI and emerging technologies in the digital era.

The lecture was hosted and coordinated by Prof. Tajinder Kaur, while Prof. Paramjit Kaur, Dr. Amanpreet Kaur, and Prof. Ashima efficiently assisted in managing the program. The students participated with keen interest and enthusiasm, making the session highly engaging and insightful.
