**PG Department of Computer Science  
in collaboration with  
Institution's Innovation Council  
organized a Guest Lecture on  
*Tools and Techniques for Malware Analysis and Network Security*  
on 12th September 2025  
(Under DBT Star Status)**

The P.G. Department of Computer Science, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institution's Innovation Council, organized a guest lecture on the topic "*Tools and Techniques for Malware Analysis and Network Security*" on 12th September 2025. The session was conducted under the DBT Star Status, Government of India.

The lecture was attended by 120 students from BCA and B.Sc. (Hons.) AI & DS final year classes. The event was graced by the presence of Dr. Basant Subba, Assistant Professor, IIT Ropar, as the expert speaker. Dr. Subba holds a Ph.D. from IIT Guwahati and has several projects funded by SERB and MeitY to his credit. He has also published a number of research papers in reputed journals.

During his session, Dr. Subba shared in-depth knowledge on malware analysis and network security, explaining various tools and techniques with clarity. He enriched the session by giving practical examples and demonstrating tools, which provided students with hands-on insights into real-world applications of cybersecurity.

Dr. Jasvir Singh, Principal of the college, appreciated the efforts of the P.G. Department of Computer Science and commended their initiative in organizing such impactful academic events. He also encouraged the department to keep conducting similar programs to strengthen students' professional and research skills.

The event was successfully organized under the guidance of Dr. Surender Kumar, Head of the P.G. Department of Computer Science, who highlighted the significance of malware analysis and network security in today's digital landscape.

The lecture was hosted and coordinated by Prof. Tajinder Kaur, ensuring the smooth flow of the session. The program was further efficiently managed by Dr. Amanpreet Kaur, Prof. Ashima, and Prof. Sukhleen Kaur. The students learnt a lot and participated with full enthusiasm, making the session highly interactive and engaging.
