Institution's Innovation Council in collaboration with P.G. Department of Computer Science

March 26, 2025

The Institution's Innovation Council, with the support of the P.G. Department of Computer Science, successfully organized a workshop on Entrepreneurship and Startups on March 26, 2025. The workshop featured insightful sessions led by distinguished experts in the field.

Dr. Ajay Dutta, Head of the P.G. Department of Computer Science at B.A.M. Khalsa College, Garhshankar, conducted the first session. He provided a live demonstration on the process of registering startups as Micro, Small, and Medium Enterprises (MSMEs). Through real-time data entry, he guided students step by step through the registration process, explaining key terms and requirements. Additionally, he shed light on the importance of Intellectual Property Rights (IPR) in entrepreneurship.

The second session was led by Assistant Professor Parvinder Kaur, P.G. Department of English, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib. She highlighted various government schemes designed to support female students aspiring to launch their own startups, providing them with valuable insights into financial aid and resources available to young women entrepreneurs.

The workshop was attended by final-year students of the college, who actively engaged in the discussions and gained practical knowledge about startup registration and government support programs.

Dr. Jasvir Singh, Principal of the institution, commended the Institution's Innovation Council for organizing such an informative and motivational event, encouraging students to embrace entrepreneurship.

Dr. Surender Kumar, Head of the P.G. Department of Computer Science, congratulated the faculty for the seamless execution of the workshop, while Dr. Gurpreet Kaur, Head PG Department of English and IIC President formally welcomed the esteemed speakers and

acknowledged the continuous efforts of the IIC team in providing students with real-world learning opportunities.

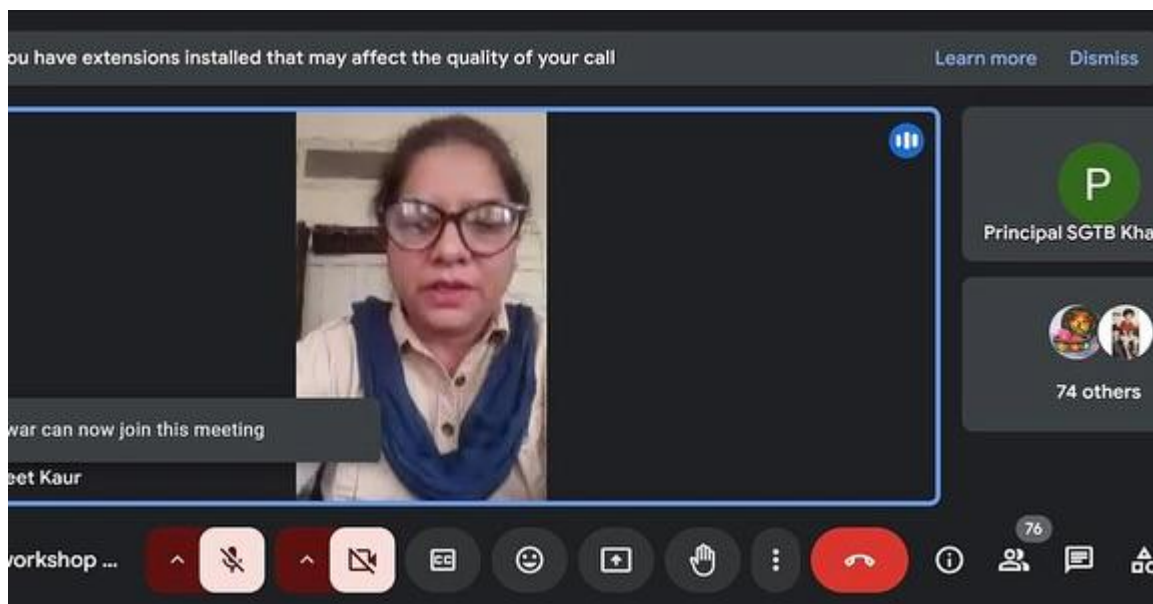

The event was successfully coordinated by Assistant Professor Tajinder Kaur, Assistant Professor Paramjit Kaur, and Assistant Professor Dr. Sarvan Kumar, who ensured its smooth organization and execution.
