A one-day Tech startup Connect & Grow Workshop was organized at Sri Guru Teg Bahadur Khalsa College Sri Anandpur Sahib, under the management of Shiromani Gurdwara Parbandhak Committee, with the support of Institution's Innovation Council, Punjab State Council for Science and Technology and IIT Ropar. The main objective of this program was to make students aware about their self-employment. Dr. Dapinder Kaur Bakshi, Joint Director and Head, Research and Start-up Facilitation Division, In-charge, Dr. Jagdeep Kumar Sharma Co-Chairman, Regional Start-up Committee, Dr. Radhika Trikha Chief Operating Officer IIT-Ropar, Dr. Shakti kaur Co-founder, Anuprayaas were the main speaker for the day. On this occasion, the college principal Dr. Jasvir Singh welcomed the chief speakers and said that Khalsa College regularly conducts such programs for the students, the result of which is that today our students are working in high positions in the society. About 300 girls from different colleges and a few faculty members of the college participated in this program. The speakers in this program told to the students how they can start self-employment with their innovative ideas. In this program Dr. Gurshagun Kandola informed in her speech that National Start Up Day was launched by Prime Minister of India on 16th January 2022 and also shared special information about self-employment innovative ideas and how government provide seed money for the company. Along with this, Dr. JK Sharma said that Institution Innovation Council of the college is making great efforts to achieve council's objective. He inspired the students by giving some examples, to express new ideas and move forward by creating start-up ideas on it. In this program, Dr. Radhika Trikha IIT Ropar, Dr. Shakti Kaur and Amritpal Singh shared their ideas about startups with the students. One another speaker Divya Sharma National Awardee for Individual excellence kept the students enthralled with her inspiring speech. On this occasion, convener of the college IIC Dr. Gurpreet Kaur thanked the speakers.
