

INNOVATE FOR VIKSIT BHARAT: STUDENT SOLUTIONS INSPIRED BY NEP 2020

On 29th July, 2026.

The Institution's Innovation Council (IIC) of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the P.G. Department of Mathematics, organized an innovative student-centric event titled "Innovate for Viksit Bharat: Student Solutions Inspired by NEP 2020" on 29 July 2026. The event was organized to celebrate and promote the vision of NEP 2020, with a special emphasis on innovation, creativity, problem-solving, entrepreneurship and student participation. The event provided an opportunity for students to participate actively and present their innovative ideas and solutions inspired by the principles of NEP 2020. More than 50 students participated in the event. Our worthy Principal Sir Dr. Jasvir Singh encouraged the students to focus on real-world challenges and propose solutions that could create a positive social, educational, environmental or technological impact.

The programme emphasized the importance of "Ideate – Innovate – Impact", encouraging students to move beyond conventional learning and apply their knowledge creatively to address contemporary challenges. Participants were invited to submit their entries for the competency-based activity and showcase their innovative thinking. The IIC coordinator Dr. Gurpreet Kaur highlighted the role of multidisciplinary learning, experiential education, creativity and skill development in achieving the objectives of NEP 2020. Students were motivated to think independently and develop solutions that could contribute to nation-building and the vision of a developed India. The event "Innovate for Viksit Bharat: Student Solutions Inspired by NEP 2020" was a meaningful initiative to promote the spirit of innovation, creativity and problem-solving among students. The event coordinator Dr. Mandeep Kaur connected the vision of NEP 2020 with the aspirations of young learners and encouraged them to become active contributors to nation-building. The programme reinforced the message that innovative student ideas, when transformed into practical solutions, can contribute significantly to the development of a progressive and self-reliant India. The program was judged by Dr. Hardeep Kaur and Prof. Bhawna Thakur.

Objectives of the Event

1. To create awareness among students about the vision and objectives of NEP 2020.
2. To encourage students to identify real-life problems and develop innovative solutions.
3. To promote creativity, critical thinking and problem-solving skills.
