One day Faculty Development Program

on

**“Future of Education and Research: AI and
Beyond” on November 5, 2024**

The Institutions Innovation Council of Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab, organized a one-day Faculty Development Program on the theme “Future of Education and Research: AI and Beyond” on November 5, 2024. The event featured Dr. Sarwan Singh, Joint Director at NIELIT, Ropar, as the resource person. Dr. Singh provided valuable insights into the evolving role of Artificial Intelligence in education and research, highlighting its transformative potential. He discussed emerging trends, innovative teaching methodologies, and AI-driven tools to enhance academic practices. The program emphasized the importance of adapting to technological advancements to foster innovation in teaching and research. The session was highly appreciated by participants for its relevance, expertise, and practical applications.

Objective: To equip faculty with knowledge of emerging trends in Artificial Intelligence and its impact on education and research.

Benefit: The program enhanced faculty understanding of AI-driven tools, enabling them to innovate teaching methods and foster advanced research practices.

No. of Participating faculty: 140
