

Nanhi Chhaan Committee

Slogan Writing Competition

Report

The Nanhi Chhaan Committee organized a "Slogan Writing Competition" on 2nd April, 2025, centered around the theme of "Save the Environment." The primary objective of the event was to promote a strong sense of ecological responsibility among students, reminding them that individual actions contribute significantly to a healthier and more sustainable planet. Students from various academic streams, including Commerce and Sciences, actively participated and displayed remarkable creative enthusiasm. The impactful messages crafted by the participants highlighted key environmental challenges and inspired viewers to adopt greener habits. Dr. Jasvir Singh, Principal, commended the committee members for their successful execution of the event and encouraged them to continue hosting insightful programs on such vital social and ecological issues.
