Report: Fine Arts Workshop

(1 to 29 October, 2025)

Under the guidance of Principal Dr. Jasvir Singh, a month-long Fine Arts Workshop was successfully organized under the Indian Knowledge System (IKS) framework at Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib. The workshop aimed to celebrate India's artistic heritage and encourage students to explore indigenous creative practices through hands-on learning.

More than 35 students actively participated in this month-long initiative. To ensure proper coordination, students were divided into 12 groups covering over 30 Fine Arts items. Participants explored a wide range of creative disciplines including painting, sketching, collage making, craft work, clay modeling, poster making, mask making, rangoli, photography, embroidery, and waste material art. The workshop was conducted under the able supervision of Dr. Prabjot Kaur, Head, Department of Fine Arts, who guided all activities and artistic directions. Responsibilities for different items were shared among faculty members from various departments, ensuring a collaborative and interdisciplinary learning experience.

The following faculty members extended their support and guidance throughout the workshop:

Prof. Jaspreet Kaur (Zoology Department), Dr. Mandeep Kaur (Botany Department), Prof. Gurleen Kaur (Botany Department), Prof. Darshpreet Kaur (English Department), Prof. Dilsar Bir Singh (English Department), Dr. Manpreet Kaur (Punjabi Department), Dr. Sukwinder Kaur (Punjabi Department), Dr. Harsimrat Kaur (Punjabi Department), Prof. Amandeep Kumar (Visual Arts Department), Prof. Ravinder Singh (History Department), Prof. Parvinder Kaur (English Department), and Prof. Sharanjeet Kaur (Chemistry Department), Prof. Jaspreet Kaur Sidhu (English Department).

The workshop was efficiently coordinated under the supervision of IKS Cell Incharge Dr. Gurpreet Kaur, whose continuous guidance and cooperation ensured the successful completion of the program. The workshop concluded with a grand student exhibition, where participants proudly showcased their artwork and creative projects. The initiative not only enhanced students' artistic skills but also strengthened teamwork, discipline, and cultural awareness — perfectly aligning with the vision of the Indian Knowledge System (IKS). The trained Fine Arts group is now preparing to represent the college in upcoming Youth Festivals and Fine Arts exhibitions at the university and inter-college level.
