

Activity Report
Institution's Innovation Council
Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

The Institution's Innovation Council and Indian Knowledge System Cell, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, organized an interschool competition on 4th February. Around 50 schools and approximately 800 students from nearby regions participated in the event. The competition featured a range of events, including General Quiz, Model Making, Slogan Writing, PPT Making, Maths Olympiad, Rangoli Making, Poetry Recitation, Poster Making, and Essay Writing. The events were designed to test students' knowledge, creativity, and problem-solving skills, and were judged by experts in their respective fields. The competition aimed to encourage creativity, innovation, and critical thinking among students, as well as provide a platform for them to demonstrate their talents and learn from one another. The events had a positive impact on students, helping them develop critical thinking, boost confidence, and foster creativity. It also enhanced teamwork, as many events required collaboration and effective communication. These competitions have significantly contributed to strengthening students' cognitive growth, logical reasoning, creativity, and ability to articulate ideas effectively. Addressing the gathering, Principal Dr. Jasvir Singh remarked that inter-school competitions provide students with valuable opportunities to connect classroom learning with real-life experiences, moving beyond the confines of textbooks. He further emphasized that events such as Speech, Essay Writing, Poetry, and Slogan Writing sharpen students' linguistic proficiency and critical thinking skills. Activities like the Math Olympiad, Model Making, and Idea Showcase nurture scientific temperament, innovation, and problem-solving abilities.

The Convenor and IIC President, Dr. Gurpreet Kaur, emphasized that such platforms nurture moral values like cooperation, tolerance, respect, and social responsibility while enabling students to broaden their perspectives and develop well-rounded personalities through meaningful peer interaction.

Objectives:

To Encourage creativity, innovation, and critical thinking among students

To Provide a platform for students to demonstrate their talents and learn from one another

Benefits:

Boosted confidence and self-expression

Encouraged creativity, innovation, and artistic expression

Enhanced teamwork and collaboration skills
