

Report on One Minute Speech Competition

Theme: Innovation and Entrepreneurship in the Digital Era

A One Minute Speech Competition on the theme “Innovation and Entrepreneurship in the Digital Era” was successfully organized by Institution’s Innovation Council (IIC) of Sri Guru Teg Bahadur khalsa college Sri Anandpur Sahib on 28-04-2026 with the objective of encouraging students to express their ideas on modern technological advancements, creativity, startups, and digital business opportunities. The event aimed to enhance students’ communication skills, confidence, critical thinking, and awareness regarding the growing importance of innovation and entrepreneurship in today’s world.

The competition witnessed enthusiastic participation from students of different classes and departments. Participants delivered impressive one-minute speeches highlighting various aspects of the digital era such as artificial intelligence, digital marketing, online businesses, social media entrepreneurship, e-commerce platforms, startup culture, and the role of youth in nation-building through innovation. Many students also emphasized how technology has transformed traditional business models and created new opportunities for self-employment and global connectivity.

The program commenced with a welcome address by the Dr.Gurpreet kaur President IIC, followed by an introduction to the significance of innovation and entrepreneurship in modern society. The judges evaluated the participants on the basis of content, clarity of expression, confidence, creativity, pronunciation, and time management. The audience highly appreciated the innovative ideas and motivational thoughts shared by the speakers.

Principal Dr.Jasvir Singh appreciate the efforts of teachers and Students and emphasized about successful entrepreneurs and startup founders who have inspired young people to think creatively and become job creators instead of job seekers. The event also encouraged students to explore their talents and use technology positively for social and economic development.

At the end Dr.Manpreet Kaur, Co-ordinator of the event announced expressed gratitude to the principal, faculty members and students for making the event successful. The One Minute Speech Competition proved to be an informative and inspiring activity that motivated students to think innovatively and understand the significance of entrepreneurship in the rapidly evolving digital world. The event successfully created awareness about the opportunities and challenges of the digital era and encouraged students to contribute positively to society through innovation and creativity.
