Entrepreneurship Cell

Institution's Innovation Council

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

Institution's Innovation Council- Entrepreneurship Cell, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organised an Expert Lecture on "Funding Opportunities for Biotech Innovation: BIRAC (Biotechnology Industry Research Assistance Council) Schemes on 24th July, 2026. The session was delivered by Ms. Taranjeet Kaur, Senior Manager & Incharge – Entrepreneurship Development, BIRAC. She provided insights into BIRAC schemes and funding opportunities available for biotechnology innovations and startups. The resource person explained the concept and importance of business ethics in today's corporate environment. The lecture highlighted the relevance of the Indian Knowledge System in modern business management. Ethical values such as honesty, integrity, fairness, and accountability were discussed in detail.

The speaker introduced BIRAC as a Government of India initiative under the Department of Biotechnology (DBT) that promotes innovation and entrepreneurship in biotechnology. The session explained how BIRAC supports startups from the idea stage to commercialization through grants, mentoring, and incubation. The Biotechnology Ignition Grant (BIG) scheme was highlighted as a flagship program providing up to ₹50 lakh for proof-of-concept development over a period of up to 18 months. The speaker discussed the eligibility criteria for students, researchers, startups, and biotechnology entrepreneurs seeking financial assistance. The speaker emphasized converting research-based innovations into commercially viable products and technologies. Various sectors supported by BIRAC, including healthcare, agriculture, industrial biotechnology, diagnostics, and clean energy, were discussed. The lecture encouraged young innovators to develop technology-driven solutions for national and global challenges. The application process, proposal submission, and evaluation procedures under BIRAC

schemes were briefly explained. The Principal Dr. Jasvir Singh really appreciated for organizing such session that inspires the young minds to pursue research and innovative thoughts. The Entrepreneurship Cell incharge Dr. Hardeep Kaur and IIC President Dr. Gurpreet Kaur also encouraged students to promote entrepreneurship and protect creativity. All team members of Entrepreneurship Cell of college Dr Manpreet Kaur, Dr Kamaljit, Pr. Harpreet Kaur Pr. jaspreet kaur were present there and motivate the students for the funding schemes.

Objective of the Activity:

The main objective of the activity is to make students aware about funding opportunities of BIRAC schemes to energizing the students for entrepreneurship. The bio tech sector is complex sector there is high risk BIRAC provides holistic It is central agency facilitate and supports the startups, entrepreneurs, medium and large scale companies for high risk innovations to develop innovative products to address the unmet needs.

Total no. of Student participation: 67

Benefits of the activity:

Participants learned about the importance of incubation centres and mentorship. Students learnt about to utilize BIRAC funding opportunities to build sustainable and impactful biotechnology enterprises. Students were encouraged to adopt ethical behaviour in their professional and personal lives.
