Workshop

on

UI/UX Design

organized by

P.G. Department of Computer Science

March 25, 2025

The P.G. Department of Computer Science, in collaboration with the Institution's Innovation Council, successfully organized a workshop on UI/UX Design on March 25, 2025. The session, conducted by industry professionals from TechMarcos, featured insightful presentations from Mr. Bhavdeep Singh and Ms. Swatika Sharma. They provided an in-depth understanding of User Interface (UI) and User Experience (UX) design principles, followed by a hands-on session using the Figma platform, allowing students to apply their knowledge practically.

The workshop was attended by final-year students from the BCA and B.Sc. (Hons.) in Artificial Intelligence & Data Science programs, offering them valuable exposure to the latest design tools and techniques.

Dr. Jasvir Singh, Principal of the institution, commended the department for organizing such a practical, job-oriented training session that equips students with crucial skills for the industry.

Dr. Surender Kumar, Head of the P.G. Department of Computer Science, congratulated the faculty for the seamless execution of the event and their continuous efforts to provide students with relevant, real-world learning opportunities.
