

Activity Report
Institution's Innovation Council
Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

The PG Department of Chemistry, under the DBT Star status, in collaboration with the Institution's Innovation Council (IIC), organized a workshop on Good Laboratory Practices for graduate students on 16th September, 2025. The resource person for this insightful workshop was Dr. Punita from Maharaja Agrasen University. The workshop aimed to instil best practices in laboratory settings among students, emphasizing safety, efficiency, and ethical considerations in chemical research. Dr. Punita highlighted the significance of adhering to good lab practices to ensure safety, minimize risks, and promote a culture of responsibility in chemical laboratories. Further the resource person sensitized the students by promoting responsible lab conduct by minimizing the waste and optimizing resource use. The workshop included interactive sessions where students learned and discussed regarding lab management, chemical handling, waste disposal, and safety protocols. The event was conducted successfully under the guidance and support of Principal Dr. Jasvir Singh.

Objectives:

To sensitize the students regarding the importance of Good Lab Practices to ensure safety and promote a culture of responsibility in chemical laboratories.

To equip students with the skills and knowledge necessary for adhering to good laboratory practices.

Benefits:

Promoted a culture of safety and responsibility in the laboratory

Equipped participants with knowledge of standard laboratory protocols and procedures

No. of Student Participants: 50
