

Poster Making and Model display Contest on “Best out of Waste and Environment Conservation”

P.G Department of Botany organized Poster Making and Model display Contest on August 27, 2016 with a theme “**Best out of Waste and Environment Conservation**”. The students from B.Sc. Medical wing and M.Sc.-Botany participated in the event. The participants made poster and models according to their way of conserving nature and environment. At the end the Principal awarded the winner students. The posters were displayed for one week to aware other students also. The function was attended by Dr. Rajbir kaur, Dr. Ravikant, Prof. Mandeep kaur and other teachers.
