

Quiz Competition

In continuation of the previous year in-class quiz competition, on January 2, 2018 a quiz competition was again organized for the students of B.A. III. The motive of this competition was encourage the students not to limit themselves to just textbook knowledge. The quiz began with the one word answer and the students who qualified this round, went onto next round in the competition. The final round was a little tense as the participants were very nervous and putting their spirits up and telling them not to get hyper as it was not a part of the examination and was just a way to prepare them for the competitive exams. Dr Shaveta Kaushal was the local coordinator of this programme.
