

ONLINE CHEMISTRY COMPETITION

Competition is part of our life. It matters a lot, so the Department of Chemistry, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab has set the benchmark for conducting extracurricular activities in such a way that the students not only enjoy, but also learn a great deal from it. The department has organized various online competitions, like quiz, poster making and cartooning in context of “National Chemistry Week” on November 12, 2020. Under the DBT Star college scheme. The theme of poster making and cartooning competition was “Ethical Use of Chemicals” and “Chemistry of any natural process/ manufactured product” respectively. The Number of participants participated in these competition are 82. Students prepared very attractive posters on these given topics. These activities kept the students engaged and it was organized to explore and encourage creativity in students and offer them a platform to showcase their skills. The winners were awarded with prize and all the participants have also given certificates. The prime objective of the event was to sensitize the young minds towards the awareness and purposeful use of chemicals.

First Prize winner of Cartooning

First Prize winner of Poster making
