

## Science Day Celebration

The Department of Mathematics celebrated Science Day on February 28, 2019. The organised events included Quiz Competition, Essay and Slogan writing and paper reading competition under DBT Star College Scheme. In quiz competition there were 5 teams each containing 5 students. 20 students participated in the event of slogan and essay writing. There were 10 participants of paper reading event. It was a motivating experience for students, which also helped them to research ,create, collaborate and communicate Department. It was a delightful sight to see many students having Logical reasonable bent of mind. The event was organised by Mrs. Maninder Kaur and Ms. Gurleen Kaur.
