

Economic Model making competition

Learning gives creativity, Creativity leads to thinking, Thinking provides knowledge and Knowledge makes us great.....

Model making competitions are always interesting and informative, which provide excitement among the students and also make them aware of creativity. The P.G. Department of Economics successfully conducted a model making competition on April 12, 2022 for the students M.A Economics, B.A and B.Sc Agriculture, in which different team's participants in each team gave tough battle to each other. Rules and regulations of the model making competition were explained at the beginning. It was an interesting competition. It was very innovative and knowledge enriching competition for the participants. P.G Department of Economics encourages such positive competition and hopes to bring out the best in all its students through such competitive events. While ensuring that the children learn through all possible ways- not just through books and classroom teaching. Dr. Shaveta Kaushal organized over all competition, Prof. Amandeep kaur, Prof.Priyanka were the coordinators of this competition.
