

Outreach Program
Inter School Competition

March 3, 2022

P.G Department of Chemistry organized a one day Inter School Competition in various events such as elocution, quiz, poster making, slogan writing, essay writing etc. on 3- 3-2022 under DBT Star College Scheme. Students from various schools also displayed the working models. The working models were judged by Dr. Randev Singh (HOD, Physics Department). During the event Dr.Maninderjeet Kang(HOD, Chemistry Department), Dr. Mandeep Kaur, Dr.Gagandeep kaur, Dr. Amandeep Saroa interacted with the participant students, wards and accompanying teachers and answered their queries related to Science. They were made aware about the high excellent teaching and infrastructure facilities available in the Chemistry department by making them to visit to the experimental and research laboratories .
