

Excursion Tour

The PG Department of Chemistry, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib organized one day tour to “Wonderland” Jalandhar , an extremely popular tourist destination on April 2, 2022 for the students of B.Sc(H)Chemistry , M.Sc Chemistry and B.Voc Pharmaceutical students to reduce stress of everyday life . Over 100 students went to the trip with full zeal and enthusiasm. The trip was a relaxation for students in this scorching summer. Adding educational value to this fun trip, the teachers accompanying the students described the functioning of different kinds of rides especially the ones such as carousel and pendulum and also related their subjects to various aspects of the trip. The students enjoyed various entertaining activities in the water park and were excited to have various adventure rides, boating, and car riding and also showcased their dance skills in the disco studio of Wonderland. Students returned from the tour with a lot of happy memories.

Some Glimpses of the Event
