

Workshop on “Mathematical Computation with Python”

The Department of Mathematics, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, Punjab organized a one day workshop on “Mathematical Computation with Python” (for UG students) under the aegis of DBT Star College Scheme on January 27, 2023. Dr. Mehar Chand Assistant Professor in Department of Mathematics, Baba Farid College, Bathinda (Punjab) was the invited speaker for the workshop. Approximately 50 students from B.Sc.(N.M), B.Sc.(H) Mathematics attended the workshop. The primary objective of the programme was to expose the students to the concept of Python Language that how to compute with Python in Mathematics.

The resource person beautifully explained the key points and important features of Python Programming Language. The workshop also included “How to compute with Python on your Laptops, Computers and also on Cellphones ”. The students enjoyed the workshop and the queries raised by the participants were well addressed by the resource person.

Dr. Mehar Chand
