PG DEPARTMENT OF ZOOLOGY

One Day Hands On Training Workshop on Fishery

10 April 2023

PG department of Zoology with guidance from Fisheries department of GOP Ropar, organized one day hand on training on Fisheries for BSc Medical II and MSc Zoology II at Fish Farm of Mr Amritpal Singh and Mr Baldev Singh, Village Agampur. Students learned about fish handling and culturing procedures during this training. Principal Dr Jasvir Singh encouraged the students to learn more and more skills for livelihood. He congratulated the department for organizing this student centric activity.
