PG Farewell Party 2024

Students of MCA Sem-I (PG Department of Computer Science) organized a heartfelt Farewell party for final year students of MSc (AI & DS), MSc (IT)/LE and PGDCA on April 29, 2024. The event held in the college's conference hall was a blend of nostalgia, celebration, and best wishes for the future. The farewell began with a warm welcome address by the MCA students, highlighting the strong bonds formed during the years. This was followed by a series of engaging performances, including a dance medley and a musical rendition that evoked fond memories of shared experiences. The MSc (IT) students expressed their gratitude through a touching video montage, showcasing their journey and the support they received from their peers and faculty. The event concluded with a token of appreciation being presented to each final year student, accompanied by a heartfelt toast to their future endeavors. Gursewak Singh (MSc. (IT)/LE) won the "**Mr. Farewell**" title, Reeta (PGDCA) won "**Miss Farewell**" title, Taranjit Kaur (MSc. (IT)/LE) won "**Miss Gracious**" title and Navjot Singh (PGDCA) won "**Mr. Handsome**" title. Dr. Surender Kumar, Head of the department along with all the staff members felicitated the winners. The farewell party was not just a celebration of the past, but also a hopeful send-off for a promising future, leaving a lasting impact on all attendees.
