

## Poster Presentation Competition Recent Innovations in Physics

March 10, 2025

P.G. Department of Physics organized a Poster Presentation Competition on the topic 'Recent Innovations in Physics' on 10-03-2025. This event was organized by Prof. Monika Sharma under the supervision of the Head of Department Dr. Randev Singh. The prime objective of the event was to sensitize the young minds towards the recent innovations in Physics. Dr. Vimal Mehta and Dr. Amrit Singh were the judges for the event. 20 students from B.Sc. Hons Physics and M.Sc. Physics participated in this event. Dr. Randev Singh, Devinder Singh and other faculty members interacted with all the participants to make them aware about different new innovation in Physics and motivated them to more frequently participate in this type of activities to enhance their knowledge. The winners of this event are as following:

1. Komal Choudhary (B.Sc. Hons Physics Sem-VI) got 1<sup>st</sup> position
2. Ramjot Kaur (B.Sc. Hons Physics Sem-IV) got the 2<sup>nd</sup> position
3. Garima (B.Sc. Hons Physics Sem-II) and Ruchika (M.Sc. Physics Sem-IV) got the 3<sup>rd</sup> position.
