## Training Programme on "Artificial Intelligence Fundamentals" from 29 July to 21 August, 2025

A training programme on "Artificial Intelligence Fundamentals" was organised from 29-07-2025 to 21-08-2025 at Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, under the guidance of the Directorate of Education, SGPC Sri Amritsar. The training was being jointly organized by Training & Placement Cell and Post Graduate Department of Computer Science, in collaboration with Anudip Foundation for Social Welfare sponsored by IBM. Principal Dr. Jasvir Singh expressed his gratitude towards the Directorate of Education, SGPC, for their continued support in facilitating skill development programs. He also commended the collaborative efforts of both units in organizing such an informative and impactful initiative. He also motivated the students and encouraged them to come forward to acquire new advanced technical skills for job opportunities. Dr. Manjeet Singh, Vice-Principal and Training & Placement Officer outlined the objectives of the training and encouraged students to actively engage with emerging technologies. He highlighted that while theoretical knowledge is vital, practical exposure and industry-relevant competencies are crucial to succeeding in today's competitive environment. The resource person for the training, Mr. Mohd. Nisar, Senior Faculty at Anudip Foundation, delivered informative and interactive sessions. He introduced students to key concepts of Artificial Intelligen and Machine Learning. Students were divided into groups for hands-on training and personalized attention. The students were registered on IBM Portal and they received certificates for the course "Artificial Intelligence Fundamentals" along with another module on "Career Management Essentials" upon completion of the training programme. The focus of this course was to demonstrate the uses of Generative-AI tools. During the course, students were provided hands-on practice on various AI tools like invideo.ai, bing.ai, ideogram, veed.io, notegpt, sejda, grammarly, leonardo.ai, gamma.ai, slidego.com and many more. They were guided to create images, videos, presentations etc. using these tools. Students provided positive feedback regarding the training and also for the resource person. Dr. Surender Kumar, Head of Post Graduate Department of Computer Science, expressed his sincere gratitude to the Directorate of Education, SGPC Sri Amritsar for their continued support in promoting skill development initiatives. He also thanked Principal Dr. Jasvir Singh for his encouragement and guidance throughout the organization of the training program. He extended his appreciation to all faculty members of the Computer Science Department for their unwavering support and encouraged all the students for actively participating in the training program. The session witnessed enthusiastic participation from students of BCA Sem-V, B.Voc. SD Sem-I, B. Sc. (Hons') (AI & DS) Sem-I, III & Sem-V, MCA Sem-III and M. Sc. (AI & DS) Sem-III classes. All faculty members of the Computer Science department actively supported the smooth conduct of the session, showcasing the department's unified commitment to student development. The programme was successfully co-ordinated by Prof. Amandeep Kaur, Prof. Manpreet Kaur, Prof. Gurmeet Kaur, Prof. Sukhleen Kaur Baweja, Prof Jyoti Chodhary and Prof. Payal Chandel.
