

Educational Visit Mahendra Chaudhary Zoological Park, Chattbir

Department of Agriculture

Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib

The Department of Agriculture, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institution's Innovation Council, organized a one-day educational visit to the Mahendra Chaudhary Zoological Park, Chattbir, under the DBT Star Status on September 20, 2025. The primary objective of the visit was to provide practical exposure to the students of B.Sc. (Hons.) Agriculture and B.Voc Food Processing. The program emphasized learning about biodiversity conservation, wildlife management, ecological balance, and the importance of zoological parks in education and research. Students also gained insights into the care and management of different animal species and the role of such institutions in promoting environmental awareness and sustainability. Principal Dr. Jasvir Singh stated that such visits play a vital role in providing students with experiential learning, thereby bridging academic knowledge with field-based exposure.”. The visit was successfully conducted under the guidance of Prof. Bhawna Thakur, Head, Department of Agriculture, and coordinated by the faculty members of the department. The faculty members who accompanied the students were Dr. Sarvan Kumar, Prof. Sanampreet, Prof. Harpreet Kaur, Prof. Kirandeep Kaur, and Prof. Gurpreet Singh (Assistant Professor, Department of Agriculture).

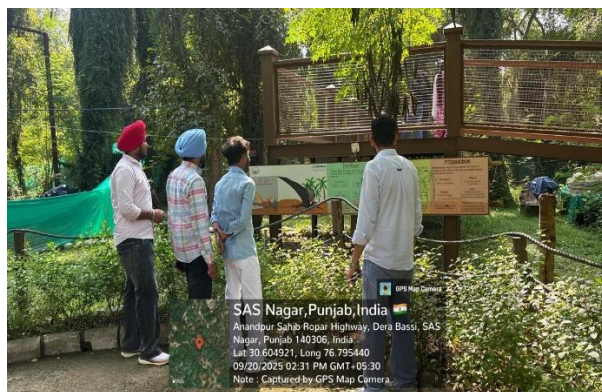

No. of students participated: 108

No. of Faculty Members: 05
