Educational Visit Verka Milk Plant, Mohali

Department of Agriculture

The Department of Agriculture, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, in collaboration with the Institution's Innovation Council, organized a one-day educational visit to the Verka Milk Plant, Mohali, under the DBT Star Status on September 19, 2025. The primary objective of the visit was to provide practical exposure to the students of B.Sc. (Hons.) Agriculture and B.Voc Food Processing. The program emphasized various aspects of the dairy industry, including milk production, processing techniques, food safety protocols, quality control measures, and product manufacturing processes. The visit enabled students to gain valuable insights into the functioning of a modern dairy plant and understand its role in ensuring the quality and safety of dairy products. Principal Dr. Jasvir Singh addressed and motivated the students, highlighting the importance of experiential learning for bridging academic knowledge with industrial practices. The visit was successfully conducted under the guidance of Prof. Bhawna Thakur, Head, Department of Agriculture, and coordinated by the faculty members of the department. The faculty members who accompanied the students were Dr. Sarvan Kumar, Prof. Sanampreet, Prof. Harpreet Kaur, Prof. Kirandeep Kaur, and Prof. Priyanka Thakur (Assistant Professor, Department of Agriculture).

No. of students participated: 140

No. of Faculty Members: 05
