

Industrial Visit to Verka Milk Plant, Mohali

The PG Department of Commerce and Management of the college organized a one-day industrial visit to Verka Milk Plant, Mohali on February 13th, 2026. The primary objective of the visit was to bridge the gap between theoretical knowledge and practical application in industry. During the visit, Ms. Sarabjeet Kaur and Ms. Madhu Saini (Junior Executive, Quality Assurance) apprised the students about various processing areas of milk and its products. The students interacted with the technical staff and learned about various processes such as collection, testing, sampling, packaging, despatch and so on. By witnessing first-hand information about the operations and management of the plant, students gained valuable insights of the production field. Dr. Manjit Singh, Head of the Department of Commerce and Management, encouraged students to participate in the visit, emphasizing its importance in their academic and professional development. Dr. Jasvir Singh, Principal of the college, also motivated students to gain practical knowledge and exposure in the industry, highlighting its significance in shaping their future career. Approximately 40 students from B.Voc (Retail Management) and B. Com (Honours) final year classes participated in the visit. The event was effectively coordinated by Prof. Navjot Kaur and Pr. Jasmine Dhawan.
