

Excursion Trip

Mussoorie, Rishikesh, Haridwar

March 27-30, 2026

The Department of Physics and Chemistry, Sri Guru Teg Bahadur Khalsa College, Sri Anandpur Sahib, organized an excursion tour to Mussoorie, Rishikesh, and Haridwar from 27 March to 30 March 2026. The tour was planned with the objective of providing students an opportunity for relaxation, exposure to new places, and overall personality development outside the routine academic environment. A total of 47 students, accompanied by Dr. Amrit Singh, Prof. Pratibha Sharma, Prof. Tanvir Kaur and Prof. Ankur Sharma of the department of Physics and Chemistry, participated in the tour. The journey commenced from the college campus with great enthusiasm and excitement among the students. The first destination was Mussoorie, where students visited popular attractions such as Kempty Falls and Gun Hill. The pleasant weather and scenic beauty of the hills provided a refreshing experience to all participants.

The group then proceeded to Rishikesh, known for its spiritual ambiance and serene surroundings. Students visited Ram Jhula and Parmarth Niketan Ashram and attended the evening Ganga Aarti, which was a memorable and peaceful experience for everyone. The calm environment of Rishikesh offered students a sense of relaxation and cultural exposure. The final destination was Haridwar, where the group visited Har Ki Pauri and witnessed the famous Ganga Aarti. The vibrant atmosphere and devotional spirit left a lasting impression on the students. The visit also allowed students to explore local markets and experience the cultural richness of the region. Throughout the tour, discipline and cooperation were well maintained by the students. The excursion provided a welcome break from routine studies and helped in strengthening bonds among students and faculty members. It also encouraged teamwork, responsibility, and mutual understanding. The principal of the college, Dr. Jasvir Singh, appreciated the efforts of the Department of Physics and Chemistry for successfully organizing the tour. He also commended the students for their discipline and active participation, and expressed that such activities are essential for the holistic development of students.
