## Action Taken Report on Feedback (2022-23)

The institution's vision will be strengthened via feedback assessments that include recommendations. Here are some helpful recommendations from students, teachers, alumni, parents regarding curriculum, syllabi, teaching, and learning. Suggestions from the stakeholders were taken into account. All of these recommendations were discussed with the IQAC and the Principal, and steps were taken to support students in every possible way based on their recommendations.

ACTION TAKEN REPORT			
Stakeholders	Suggestions	Action Taken	Outcomes
1. Students	To organize more placement related activities.	Placement Cell organized various training activities for preparing students for interviews. Several placement drives were organized for the purpose of placement of the students.	Many students got placed in reputed companies.
	To increase the number of books in library.	Volume of reference and text books is increased.	Student able to enhance their knowledge.
	Arrange sufficient space in college library for reading purpose.	New reading hall is established to increase the space for reading in library.	Sufficient sitting space is available in library reading hall and students are able to take benefit of the library facility.
2. Teachers	Implementation of NEP 2020	Syllabus was revised according to NEP 2020 by including many interdisciplinary courses in UG programs.	Various students of different background opted interdisciplinary courses to enhance their knowledge and skills.
	To enhance the use of ICT tools in teaching learning Process.	Established two new smart classrooms for better teaching learning	With the help of ICT tools Teaching learning becomes more effective.

	To incorporate practical/projects in syllabus	Minor/Major Projects are introduced in various programs (with In-House Trainings) and Workshops on different subjects viz. Adobe Photoshop, Corel Draw, Python etc. are introduced.	Many students of various departments become proficient in Adobe Photoshop, Corel Draw, Python)
3.Alumni	To aware students to utilize their time for preparation of competitive exams during interval between two semesters.	Placement Cell of the College organized workshop and special classes for students regarding different Competition Exam.	More students are motivated to spear in competitive exams and are able to qualify competitive exams.
	College must focus more on practical knowledge than theoretical, especially for professional degrees.	Several Training Programmes, workshop and Field visits were carried out by various departments of the college to provide practical exposure to the students.	Student got practical exposure through Training Programmes, workshop, Field visits.
4.Parents	To include Computer based Subjects for all students.	IDC specifically based on computer is introduced for the arts and commerce stream students.	Students are able to operate various software's.
	To introduce job oriented PG courses.	It is planned to start MCA from next session 2023-2024.	Applied for MCA to AICTE.
