

SRI GURU TEG BAHADUR KHALSA COLLEGE, SRI ANANDPUR SAHIB
NSS DEPARTMENT
OUTREACH ACTIVITY
10TH JANUARY 2024

NSS Volunteers of the college excitedly took part in an outreach program on the auspicious day of Nagar Kirtan dedicate to birth anniversary of 10th Guru, Guru Gobind Singh ji, which was designed to regulate traffic and ensure a peaceful religious procession. Seeing how important Nagar Kirtan is for promoting social harmony and spiritual togetherness, the volunteers decided to make a contribution to the success of the event. These teenage volunteers helped the local authorities with traffic flow management, pedestrian guidance, and participant and spectator safety while wearing colourful traditional clothing. The students exhibited a strong sense of civic duty as they smoothly merged into the traffic control system, demonstrating their dedication to community service and actively participating in the local culture. Through this outreach initiative, the volunteers demonstrated not just their commitment to the community but also highlighted the spirit of cooperation and unity that defines such festive occasions. Principal Dr Jasvir Singh congratulated the volunteers and program officers for this outreach activity. NSS POs Prof DilsherBir Singh, Dr Amandeep Kaur and Dr Veerpal Singh coordinated the outreach program.
