Plant Sampling Distribution

Department of NSS organized One day camp on 27th March 2024 at village Sahota and Sri Anandpur Sahib during the celebrations of Holla Mohalla. During this camp, 100 volunteers from two different units distributed around 500 plant samplings to the devotees visiting the Takhat Sahib. College Principal Dr Jasvir Singh interacted with the volunteers and congratulated them for successfully attending the camp. He also encouraged the Program Officers to take further assignments like this in future. NSS Program officer Prof Jagpinderpal Singh, Dr Amandeep Kaur and Dr Virpal Singh was also present during the camp with the volunteers.
